Finish Inspiration

Lasting beauty backed by a 10-year limited warranty.
PrismaGuard™ Finish for Lasting Beauty

With an inspirational palette of stain colors, PrismaGuard finish allows you to express your unique style while complementing your home’s overall look. A high-end, low-maintenance finish protects your door from everyday wear and tear and is designed for optimal performance with Therma-Tru fiberglass doors.

Low-maintenance PrismaGuard finish preserves your door’s lasting beauty and protects against normal wear and tear, saving you time and money. A durable coating protects your door from the elements, preserving its color for years to come and is backed by a 10-year limited finish warranty for your peace of mind.

Backed by a 10-Year Limited Warranty

Care & Maintenance

Preserve the beauty of your door’s finish.

How do I clean the door?

Use a soft towel, warm water and mild soap.

How do I repair a scratch?

For minor scrapes and scratches, your dealer may offer a touch-up kit designed to coordinate with the finish color.

How often do I need to reapply topcoat?

Every 3–5 years once you see a decrease in gloss, apply a high-quality, low-gloss exterior-grade urethane clear coat without ethylbenzene to the surface.
Express your unique style.

Handcrafted and perfected by professionals, a PrismaGuard finish is built to last, just like the Therma-Tru doors it was designed for.

PrismaGuard™ Stain

Brings the authentic look of wood to life with rich tones that add dimension to enhance wood grain doors.

1. It starts with the realistic wood grains and deep embossments of a Therma-Tru door.

2. A base coat provides an even, consistent color across the surface of the door.

3. A wiping stain enhances the base coat to reflect the natural beauty of wood.

4. A durable, low-maintenance coating protects against scratches and color fading.

Note: Finish colors may vary from an actual application due to fluctuations in finishing or printing. See your Therma-Tru seller for details on the PrismaGuard warranty and exclusions.
