Classic-Craft® Premium Entryways

Extraordinary in every detail.
Why T.M. Cobb?

We can help you make a lasting first impression with an Entry door that will fit your architecture, design preference, and budget! Not to mention we have been doing this for 85 Years!

Wide Product Offering

Are you looking for a Bedroom Door, Pantry Door, Dutch Door, Patio Door, French Doors or an Entry Door? TM Cobb has what you are looking for!

Prompt Delivery and Service

We ensure your doors will be delivered on time, correct, and free of damage with our own fleet of all-weather trucks delivering daily from San Diego to San Francisco and all points in-between!

Quality Finishes

Finish Choice™ is our in-house finish system that creates the look and appeal you want for your entire entryway. We offer 25 paint colors that include a 2 year warranty and 9 stain colors that include a 10 year warranty.

A Name You Can Trust

TM Cobb has been servicing our customers since 1935, and have over 80 years of experience and expertise in bringing the perfect door to the California market.

*Brand Use Study, 2018 Builder magazine.

**Not based on actual home sales. Not a guarantee of investment returns, increase in value or selling price. Based on a nationwide survey of consumers’ estimates of perceived home value based on exterior appearance. Results may vary based on region and home style. Therma-Tru’s “National Home Valuation Study” was commissioned by Therma-Tru in 2015 and conducted by TNS, and independent provider of internet-based research.

Note: See your Therma-Tru seller or visit www.thermatru.com for details on limited warranties and exclusions, and ENERGY STAR qualified products.

The Power of Curb Appeal
A new entry door can pay for itself — and then some — giving you and your customers more bang for your buck.

Perceived Value
A smart investment, a new Therma-Tru entry door can increase a home’s perceived value by 4.2% or $18,750 on average.**

Return On Investment
Homeowners who choose a stylish new Therma-Tru entry door can see more than 2 times the return on their investment.**

A smart investment.

Lifetime Limited Warranty
We stand behind more parts and for longer than other door companies because we make or specify everything that goes into our door system. A Therma-Tru fiberglass door system is backed by the industry’s most comprehensive lifetime limited warranty.

Energy Efficiency
In any region or climate, energy efficiency is key. More than 80% of Therma-Tru door and glass options are ENERGY STAR® qualified and National Fenestration Rating Council (NFRC) certified, helping save money on energy costs.

Quality Testing
Our doors, glass and components are held to high standards. We conduct thorough testing to help ensure that our products will live up to a homeowner’s toughest quality and performance expectations.
**Premium performance in every detail.**

Everything about Classic-Craft has been designed to create a premium, elegant entryway that provides exceptional strength, efficiency and long-term performance, so you can feel confident that Classic-Craft is a smart investment for years to come.

---

**Architecturally correct for true classic beauty.** Doors designed to be architecturally correct, with proportions modeled after classic architectural principles, to create a more premium entryway.

**Up to 25% wider panels**

---

**The look of real wood.** Realistic wood grains that are virtually indistinguishable from high-grade wood doors, thanks to Therma-Tru’s AccuGrain technology.

**Details that define a custom door.** Crisp, handcrafted elegance creates embossments that are deeper than standard fiberglass doors.

---

*Compared to other standard fiberglass doors.

**Comparison of fiberglass to wood doors (both without glass).**

Top Right: Classic-Craft American Style Collection, Satin Etch Glass with SDLs, Doors – CCA82320XE; Finish – Raven
1 Enhanced Weather Resistance
No more worries about rotting, warping or twisting. Classic-Craft premium entryways are tested and designed to resist extreme weather conditions and the damaging effects of moisture. Both the top and bottom of the door are protected by composite rails for a longer-lasting entryway.

2 Solid Security
Classic-Craft premium entryways feel solid and close with authority. A 4” wide beam of engineered lumber runs from the top to the bottom of the locking side of the door to add mass and rigidity, giving the door weight and a natural wood feel.

3 Excellent Durability
Built to stand up to the elements and years of wear, Classic-Craft’s fiberglass skins are thicker than other standard fiberglass doors to provide added durability and better long-term performance.

4 Higher R-Values
Classic-Craft premium entryways contribute to an energy-efficient home. A polyurethane foam core provides up to four times the insulating R-Value of wood.**

5 Edge-to-Edge Moisture Protection
Resist moisture at every turn – and along every edge. Classic-Craft premium entryways have hardwood and composite edges that help prevent moisture penetration.
Stunning, intricate glass.

With 12 exclusive decorative glass families and multiple sidelite and transom configurations, you’ll find the ideal style to enhance any home when you select a Classic-Craft® premium entryway. Close attention to detail produces intricate, truly distinctive designs you won’t find anywhere else.

**More than 10% wider glass**

- Classic-Craft glass is more than 10% wider*, welcoming more light into the home and creating a distinctive entryway.
- Fiberglass lite frames are made with the same material as the door to blend seamlessly with the rest of the entryway when stained or painted.
- All Classic-Craft clear glass options are Low-E, providing long-term energy efficiency.
- All decorative and privacy glass products feature triple-pane construction that helps provide energy efficiency.
- Therma-Tru’s EnLiten™ flush-glazed designs deliver a clean, seamless look, with glass built directly into the door for a high-performance weather seal designed for long-term durability.
- All sidelites are made with flush-glazed glass for a truly seamless, consistent appearance.
- Any Therma-Tru® glass added to a Classic-Craft entryway is covered by the same outstanding lifetime limited warranty.

*Comparison of Classic-Craft to other standard fiberglass doors with similar styles. Visit www.thermatru.com for details. Note: See your Therma-Tru seller or visit www.thermatru.com for details on limited warranties and exclusions.
Finished for lasting beauty.

Bring the authentic look of wood to life with PrismaGuard™ stain. Explore an inspirational palette of nature-inspired colors to complement the high-definition wood grain of Classic-Craft entryways. Professionally applied in a controlled environment, this high-end low-maintenance finish protects the door from everyday wear and tear and is designed for optimal performance with Therma-Tru fiberglass doors.

Note: Finish colors may vary from an actual application due to fluctuations in finishing or printing. See your Therma-Tru seller or visit www.thermatru.com for details on limited warranties and exclusions.
